After More Than 40 Years, We Are Still Recognized as The Leader in the Industry!

We'd like to thank you for requesting our latest Parts & Accessories Catalog for '58-66 Thunderbirds. We think you'll find this latest edition to be better than ever, with many new parts added to help your restoration project move forward. We continually strive to offer enthusiasts the finest selection of Thunderbird parts and accessories available so that each restoration project is an enjoyable experience. Because of your continued patronage, we are able to offer great prices on every item we sell. In fact, we have reduced prices on a number of parts, which means greater buying power for you, our valued customer.

The Biggest Selection of Parts! And We're Still Growing!

Whether it's a hard to find part or a standard Thunderbird replacement part, Larry's has what you're looking for. Our inventory of parts is concours-quality, and growing all of the time! Give us a call if you can't find the parts you need. Our knowledgeable parts specialists will be happy to help you find them!

Ordering Is As Easy as a Phone Call Away!

And Now Find Us On the Internet at www.larrystbird.com

We offer a number of different ways for you to place your order. You may send in your order on the form enclosed, call in your order using our Toll-Free lines, FAX an order, or order from our website at www.larrystbird.com. If you need more information via e-mail, contact us at: info@larrystbird.com. Whichever route you choose, we'll process and ship your order as soon as possible.

A Guarantee Goes Along with Everything We Sell!

Our goal is to make sure each customer is 100% satisfied with every purchase from Larry's Thunderbird & Mustang Parts! If you are not happy with your purchase, for any reason, let us know! We'll be happy to either refund, credit, or exchange the amount. Please take a moment to refer to the Ordering Information page in the center of this catalog for complete details on returns, damaged parts, or any other shipping questions.

Speedy & Efficient Shipping

Every order we receive gets special attention from the time it comes in to the moment it leaves our warehouse. Need special shipping arrangements? We offer Fed-Ex One Day, Two Day & Three Day Service when requested, as well as regular Fed-Ex Ground Service. Count on our efficient shipping department to get your order to you on time!

Owner: Robin Hughes

1964 Thunderbird

We are from New Zealand, and wanted to get top quality parts. Not only did we get good quality parts, we got excellent service at Larry's Thunderbird & Mustang. When we first were looking for parts, we contacted a couple of other distributors in America. Larry's came back quickly with a quote, and kept up great communication and assisted where needed. We would not hesitate in recommending this company to any of our other fellow hot rodders.

Thunderbird Customers Please Note: Throughout the catalog you will notice a number of parts that are underlined. This designates the part as being obsolete and is limited in quantities. If you are interested in purchasing that particular part, we advise you to call and check on it's availability. A number of these parts are in demand so it's often wise to place your order as soon as possible.

About Our Pricing: At Larry's we strive to maintain the lowest prices possible. However, due to constantly changing market conditions, we are not always able to maintain prices listed in this catalog. We reserve the right to change prices without prior notice. Thank you for your understanding.

When You Are ready For Concours-Quality Upholstery, You Are Ready for Larry's Upholstery!

*Our Personal Commitment to Quality,
Authenticity and Your Satisfaction are a
part of Every Upholstery Item We Supply.*

- ✓ Naugahyde Vinyls, which are the same fabrics that were used originally.
- ✓ American-Made Bonded Dacron Polyester Thread. It wears like iron and won't fade, fray or come apart like cheaper threads!
- ✓ All items are Color-Matched to original factory specifications.
- ✓ We use the Best Foam Rubber Available in Seat Inserts, which guarantee a long-lasting wrinkle-free pleat.
- ✓ Heavy Backing for Underside of Seat Inserts.
- ✓ Correct Number of Pleats on Seat Inserts, with Evenly Spaced Stitching for Consistency in Look in Construction.
- ✓ All French Seams are sewn with a Double-Needle Machine to achieve a Straight, Parallel Seam.
- ✓ The Best Seamstresses in the Business! We take Pride in our work and make sure each upholstery item is The Very Best!
- ✓ Each Upholstery item that Larry's sends out has Our Guarantee that you will be Completely Satisfied. Period.

The interior of your Thunderbird can sometimes be more difficult to restore and care for than the exterior. For that reason, the interior portion of your restoration project is crucial and will usually need for the most attention.

Because you are paying this much attention to detail you don't have the time to worry about upholstery that doesn't match in color, vinyl that doesn't have the right grain, or stitching that is not straight and uniform. Getting the correct upholstery items the first time around saves heartache, headaches, and money in the long run.

There is an ultimate benefit in restoring your Thunderbird's interior correctly-increased value of your car! A properly restored interior not only looks good but it can make you money too. It adds untold dollars to the resale value of your vehicle.

At Larry's we offer only concours-quality upholstery, made from the finest materials available to you.

There really is more to the construction of quality upholstery than meets the eyes, but with features like these and a surefire guarantee going into each piece, you can be assured that your interior will be first-class. Your reward will be your own satisfaction from doing the job right as well as the admiration of everyone who sees your restored Thunderbird.

Upholstery Trim Kits

The Most Economical Way to Purchase Your Upholstery!

When you are ready to replace the upholstery in your Thunderbird, it is always best to buy items at the same time to ensure dye lot consistency in vinyls. Your time is also a valuable commodity these days. Each trip to the phone or the store to order more parts means more down time!

Wouldn't you rather spend that time working on your car? Our Upholstery Trim Kits will save you time, money, and the inevitable 'forgetting things that I needed' syndrome!

Each Upholstery Trim Kits Includes: Door Panels, Kick panels, Quarter Trim Panels & Rear Arm Rest Covers.

Please Note—If you are ordering for a leather interior, be sure to order a Leather Look Trim Kit.

Protect Your Dash! Use a Dash Mat

If you've got a brand new dash pad that you want to protect, or an original that is in need of special attention, you need a custom fit Dash Mat to help deter the effects of the sun and its strong UV rays. Each mat is sewn and fit specifically for Thunderbirds. Attaches to the dash area via velcro and tape for a great fit.

Join the Club that Celebrates Ownership of 1955-Present Thunderbirds!

"For Owners and Lovers of Ford Thunderbirds 1955 - Present"

The Pride of Ownership

As an owner or fan of a 1955-newer Thunderbird, you already know about the qualities that make it special— Styling, Power, Prestige... Things that others take notice of. These timeless, classic qualities add up to a thrilling package that others clamor to have. Nostalgia, Excitement, Pride of Ownership— things you have in common with a group that shares the same love for the four-seat Thunderbird.

The Privileges of Membership

This same pride is shared by the thousands of members of the Vintage Thunderbird Club International. VTCI members are a part of an automotive-loving fraternity that is among the best in the world. VTCI members are special— They love their cars, and help others who share the same desire to own a piece of motoring history. That's why there is VTCI— To preserve 1955-present Thunderbirds, and help them keep going well into the 21st Century!

"Why Not Just Go It Alone?"

Sure, you could go by on your own, buying parts, performing repairs, and get frustrated when things don't go right or cost too much. Wouldn't it be nice to know others who have "been there" before you and benefit from their knowledge? Think of

the time and money you'd save by having such a resource at your fingertips. VTCI members have recovered their dues time and again, thanks to members networking to find hard-to-get parts, specialized technical information, and perhaps the most priceless benefit of all— friendships that last a lifetime. It's something you can't find just anywhere.

"What Do I Get from VTCI?"

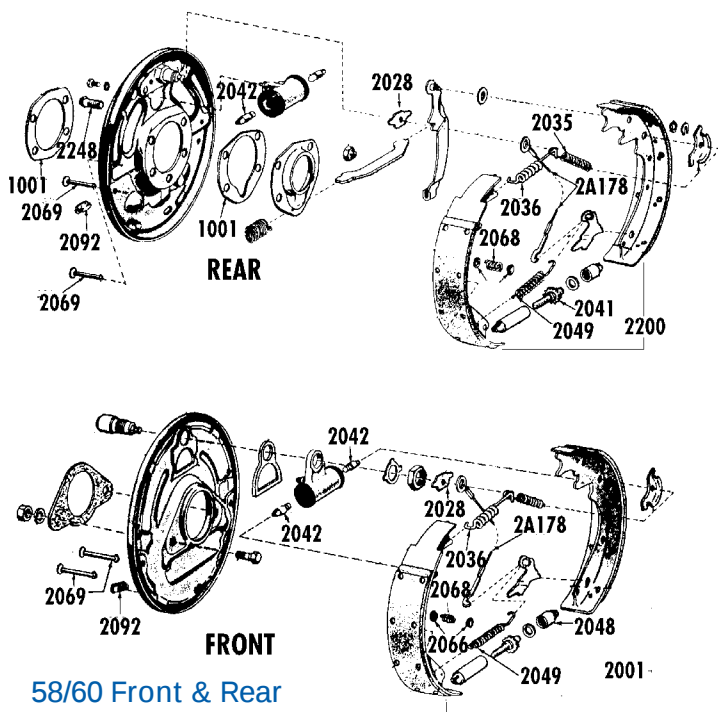

We've already given you an idea of what VTCI can provide from a personal level. Check out more benefits VTCI has to offer:

- "Thunderbird Scoop" Bi-Monthly Magazine
- Activities - Find out about local and regional car shows and concours events.
- Technical Assistance - Get your questions answered,
- Concours Rulebook - Do it right the first time.
- Membership Roster - Your future friends.

Stabilizer Bars (Sway Bar) are an integral component of your Thunderbird's suspension system, providing increased handling and safety during most driving conditions. Larry's Stabilizer Bar Kits include all necessary bushings and hardware for easy installation. To optimize your suspension system restoration, you will want to install front and rear stabilizer bars, keeping your Thunderbird 'flat' during normal cornering. A great investment to improve your car's suspension system.

A Filter for Your Cooling System!

The Gano Filter® is a full-flow filter designed to be installed in your Thunderbird's upper radiator hose. Once installed, the filter prevents rust scale, rubber from hoses or other foreign particles from entering your radiator, thereby avoiding the necessity of repair or replacement. And it's easy to install!

Larry's Original Style Battery Cable Sets

Larry's Original-Style Battery Cable Sets are manufactured from the same materials that Ford originally used to produce the factory cable sets. Each reproduction set features correct Ink-Stamped Part Numbers, Terminals, Boots, Heads & Mouldings. Wire insulation is manufactured from original-type neoprene rubber for heat resistance. Our battery cable sets include Positive (+), Negative (-) and Starter Cables. Our Cable Sets are The Finest Available for your Thunderbird!

Larry's Original Style Battery Cable Sets

B 14301AK

Larry's Original-Style Battery Cable Sets are manufactured from the same materials that Ford originally used to produce the factory cable sets. Each reproduction set features correct Ink-Stamped Part Numbers, Terminals, Boots, Heads & Mouldings. Wire insulation is manufactured from original-type neoprene rubber for heat resistance. Our battery cable sets include Positive (+), Negative (-) and Starter Cables. Our Cable Sets are The Finest Available for your Thunderbird!

RADIO

Just because you have an older vehicle doesn't mean you have to listen to your favorite music on an older radio. Larry's offers a great selection of car audio components that feature the latest in current technologies, yet fit comfortably into your Thunderbird without changing its original looks, or requiring any modification to the dash area. Each radio is manufactured to keep all original bezels, knobs (most models) and other components intact, yet offer the best audio features available. Radios

are for 12-volt systems only and are covered by a One Year Limited Warranty. Any Questions? Give us a call! We'll be happy to help you find an upgrade system that will enhance the value of your 'Bird. *Please Note- Because of broadcast frequency variations worldwide, these radios may not work properly outside of the U.S. and Canada.

Note: Aftermarket Radio will not replace radios with 8-Track Tape Player.

New from Larry's T-Bird is the latest radio offering for your classic Thunderbird from RetroSound, an industry leader in classic automotive sound. Now you can get a digital media receiver that fits the factory radio opening in your Thunderbird without modification, so you can enjoy your iPod®, satellite radio, or other portable music player while out driving your Bird. Retrosound's new Zuma looks like an old-fashioned radio complete with authentic-look push button styling and Ford replica knobs—but offers the modern conveniences of a rear mounted USB port, two auxiliary inputs, built in high power amplifier and digital AM/FM tuner with RDS.

- New push button styling for authentic "retro" look
- Enhanced dual color (white and green) LCD display
- Rear mounted USB allows playback of Mp3 and WMA digital music files
- Two rear mounted auxiliary inputs for iPod or other portable device
- 24 watts x 4 RMS / 45 watts x 4 peak power output
- New shaft system features rear knob functionality
- AM/FM RDS tuner with 30 presets
- Two sets of RCA low level outputs
- 3 EQ presets / loudness control
- Separate power antenna and amp turn-on leads
- Digital clock function

Thunderbird! "An Illustrated History of the Ford T-Bird"

DETAILED! Over 1000 sharp, new pictures of the Ford Thunderbird, many in full color!

ACCURATE! Low-mile originals or quality restorations used as models!

LARGE SIZE! hard-bound, with colorful wraparound protective dust jacket. Over 300 pages, 1000 illustrations, many in full color!

Written by Ray Miller, noted automotive historian, with photos by Glenn Embree, outstanding automotive photographer! Similar to their earlier works on Antique & Classic Automobiles!

THUNDERBIRD! is not an amateur's photo album. Neither is it a complex engineering notebook. It contains, to be sure, some significant changes, but also the trivia of the model years. Rather, it is what it set out to be, an accurate, authoritative, study of the characteristics that make for a "typical" model year. Future restorers will benefit from its compact, succinct, and definitive presentations. It is a book to be enjoyed by the curious, welcomed by the purist, and relished by the aficionado.

PAINTS & DYES

Factory-Matched Interior Vinyl Dyes

Detail Your Engine Compartment Properly with Correct Factory-Matched Paint

You can be assured of a great color match with our Interior Vinyl Dyes because each color is specially formulated and matched to original Thunderbird interior colors. Dyes can be used on vinyl pieces such as dash pads, door panels, center console areas, seat covers or any area of vinyl that needs to be color-matched. Dyes are manufactured to resist cracking and won't rub off through normal use. **Be sure**

to specify Dye Color Part Number, Year & Interior Color of Car When Ordering.

When you have gotten to the point where you really want your engine compartment to be detailed, try a little paint for that 'new look' but most of all for a little extra protection against the elements. Black Paint will dramatically enhance the appearance of your engine bay and many other components under the hood.

Ordering Information

Placing Orders

It is our goal to ship all orders within one day of receipt. If we are out of stock on a part and cannot supply within a reasonable length of time, we will refund your check or money order. All VISA®, MasterCard™, Discovercard®, and American Express orders will be accepted. Personal checks are welcome, but we may have to hold the order for 14 days for check clearance. All COD Orders must be paid by certified funds. The shippers will not accept cash. There is an extra charge of \$9.00 for each COD package.

To Order by Telephone

Call Toll Free (800) 854-0393. Have your credit card ready. Our phone ordering hours are Monday thru Friday: 7am to 5pm.

To Order by Fax Complete the Order Form and FAX 24 Hours to (951) 270-3224. Be sure to include your telephone number, credit card number, expiration date, and validation code as well as part numbers and accompanying descriptions.

To Order by Mail

Fill out the Order Form completely and accurately, including all part numbers and accompanying descriptions and mail to: Larry's Thunderbird & Mustang Parts, 1180 California Ave. #B, Corona, CA 92881. If you are including payment with your order, be sure to allow for freight charges. Credit card numbers must be accompanied by expiration date and validation code.

Internet Orders

Larry's catalogs are featured on our web site: www.larrystbird.com. Follow instructions located on the site for proper ordering.

Shipping Charges

Our shipping policy is simple. We charge according to the standard shipping rates of the carrier plus a small handling fee. In most cases we use UPS or Fedex. However, other carriers may be used depending on the destination and what is being shipped. **C.O.D. shipments will be charged an additional \$9.00 per package.** Please supply a street address. Most carriers will not deliver to a P.O. box.

Air Delivery

For faster delivery service, we do also ship orders by 1 day, 2 day and 3 day delivery. **Delivery Services cost an additional amount, depending on size and weight of cartons.** Please specify when ordering if you would like these special shipping services.

Foreign Shipments

Actual Shipping Charges will apply to foreign shipments. Customs fees, Duty charges, and other expenses are the responsibility of the customer.

One Final Note: Due to certain restrictions, we are not able to ship Hazardous Materials to any foreign countries; aerosol paint and vinyl dyes are shipped via surface delivery only and cannot be shipped via air delivery. These items will be noted by an asterisk* where listed in the catalog.

Returned/Refused Shipments

Customers will be responsible for all shipping charges, storage charges, and a *minimum* 10% handling fee on all refunded shipments. Merchandise returned that is not defective or damaged is subject to a *minimum* 10% restocking charge. The handling fee for parts purchased as 'used' is 15%. **No Returns Accepted on Special Order Items.**

Damaged Merchandise/Missing Merchandise

Inspect your parts immediately upon receipt. If you should receive parts that are freight damaged or missing due to a broken box, contact the carrier (i.e. UPS, Post Office, or Freight Line) immediately. They will process your claim. **If you find a shortage in your order, you must advise us of that shortage within 7 days.** We can only accept responsibility for shortages reported within the 7-day time period. Please do not ship damaged parts back to us without prior authorization. We will do everything possible to see that you are taken care of quickly and efficiently.

Guarantee

All new and reproduced products are guaranteed against defects in workmanship and materials. **Liability of Larry's Thunderbird & Mustang Parts is limited to the replacement of defective parts.** If you are not satisfied with your purchase and wish to make an exchange or return for refund, we ask that this be done within 30 days after purchase. If the reason for your return is our error, we will pay the shipping costs both ways. However, all parts must be returned Freight Prepaid, by way the least expensive transportation. Returns cannot be accepted on the following items: Electrical Parts, Stripe Kits, Books, or items with which installation has been attempted. **All returns must have a copy of your original invoice, as well as a letter of explanation and may be subject to a restocking charge.**

Pricing

We attempt to maintain all prices included within this catalog, but because of normal market changes, we reserve the right to adjust prices without notice.

Core Charges

A *Core Charge* is applied to most rebuilt items. This is in addition to the price of the part but is refundable upon supplying Larry's with your *correct* and *rebuildable* core. This is done so that we may continue to recycle good cores. If we run out of good cores, we must have your core in advance so that we can rebuild it and return it to you. **Cores must be assembled, rebuildable, authentically correct, and drained of all fluids to receive a core charge refund.**

Change of Address/Duplicate Catalogs

If you are moving or receiving duplicate catalogs, please help us reduce waste by calling or faxing us with the correct address information. If you would like your name removed from our mailing list, call customer service at: (800) 854-0393 or e-mail us at info@larrystbird.com.

Catalog Information

We continue to maintain the largest supply of new, used and reproduced parts available anywhere for classic Thunderbirds, Ford Passenger cars and Mustangs. Our large inventory allows us to keep backorders to a minimum. We have tried to organize parts so that your ordering and restoration job is an easy one.

We continue to add new parts to our catalogs as they become available. If you are looking for a particular part and aren't able to locate it in this catalog, give us a call. It could be that the part is now available but wasn't when we put this catalog together. If you have any questions, give us a call or send a note via e-mail. We are more than happy to help meet your needs if at all possible. And thank you for your business. We appreciate it!
